'Blindness in India'

1086. MISS SAROJ KHAPARDE: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that one-third of the blind population of the world is living in India alone;

(b) if so, what is the number of blind population in each State and Union Territory; and

(c) if so, what steps have been taken or are to be taken by Government in this regard?

THE DEPUTY MINISTER IN THE DEPARTMENT OF FAMILY WELFARE (SHRI S. KRISHNA KUMAR): (a) and (b) As per Indian Council of Medical Research Survey carried out in 1971—73, the estimated number of blind population is nine million. which is about one fifth of the total blind population of the world. State and Union Territory wise figures of blind population have not been available.

(c) The Government of India have launched a National Programme for Control of Blindness in the year 1976-77. The Programme envisages extension of immediate eye relief measures for the needy in the rural areas adopting 'eye-camp approach' besides phased development of permanent eye care facilities at various levels coupled with intensification of health education measures and manpower development activities. The ultimate aim is to reduce blindness from 1.4 per cent in 1975 to 0.5 per cent by 2000 A.D.
